1. I have given you this day to experience Me and to do the works of Him who sent Me, the works of Him who sent you, the works that I have for you to do, the people that I have for you to see, and the people that I have for you to show--to show them Me, My faith, My trust, My inner workings. I love you. I love you and I give you Me.
2. I give you people of every color, nation, tribe and tongue. I give you My Mine to relinquish into Me, to help them abandon self and cast off the restraints of bondage and freedom, of bondage and freedom-thought for freedom real, freedom true, freedom in My Kingdom which transcends freedom in any other kingdom. I love you and I give you Me.
3. I give you Me eyes wide open, My words coming forth. Allow Me, allow Me please to speak. And shut Me not out and into logic resume and reside and remiss be. I love you.
4. I empower you this day, I empower you this day to walk forth and cataclysmically crack the centers of attention, the centers of influence, the centers of control where people control others--with My love, for My love frees and abandons the ways that hold down, put back, and reside in poverty making patterns of thought, mentalities not of Me, mentalities of man, mentalities of men and their kingdom, their poverty and their control, restrictions not of Me.
5. I love you and I call you friend. You are My friend. You are My king and soon coming king, for into the kingship for which you were designed you now walk and lead the mighty, the many, the many mighty, and some thought positions-so-poorly into My Kingdom, in to heir-ship with only Me, on My throne with Me, for Me to do the works of Him who sent Me, the works of Him who sent you, the works of Him who sent and called the mighty many.
6. The mighty many comes forth like you have never seen, like you cannot imagine, like My word speaks--and My words will speak continuously of them coming forth--groups mighty, groups singular, groups plural, groups of only Me--teams being forged forth, accountable to only Me for their heart, for their motives, for their actions spoken in love to others. I love you.
7. Through the crowd I went, yes, I did. You see. You know and more you have. I love you and I thank you for not limiting Me to your molecules and the thinking of those who so restrictive have been, so constricted, and feel in control they must be, and connect everything without sinew of spirit.
8. I love you now and I connect in the sinew of My spirit those who will let Me, you who will let Me all over My globe, inter-stellar, watch Me--who am I and who are you to

tell Me what I must do or how I must do what I choose to do? So much glory, infinite Me. See Me and ride with Me on the wings of My doves powered by Me. Come on My shoulders and watch. Show Me, see Me, see Me so you can show Me. I love you.

9. Ride on My shoulders and see above the crowd, see above the flames that engulf the mighty many who know Me not. See Me, enjoy My shoulders and mighty be and bring forth, helping Me, the mighty many who relinquish all and follow Me and flow now in My fountains, drinking of My fountain and fountain-ing the mighty many coming forth. I love you.

10. The mighty many come forth, and this today is My proclamation of the mighty many coming forth this day, 19 July 2004 as you ride downtown, eyes wide open, Me speaking as you drive. **Think not you have to be in any place, position or frame of mind to let Me speak**. I come and I speak as I desire and I will speak to the mighty many, raising up the mighty many like the mighty thought-many, the thought-mighty who think they are many, could never do, could never hear, could never coagulate, coalesce, and coordinate the functions of My body like Me, like I do, like I will, like I am.

11. You see, you will see more, you will see from heights unknown. Let Me show you. Ride with Me on My shoulders. Ride with Me and let Me slip you between crowds, between the mighty-thought-to-be, the mighty real, truth of Me. I love you.

12. My many come forth this day--tell them to be ready, tell them all to be ready--the Presbyterians, the Catholics, the Episcopals. The mighty many come forth seeking Me in every label, of every label, out of every label into Me and the purity of My fountain. I love you.

13. Resemble Me and resent not rules you don't understand, adhered to by ones for centuries. Worry not about them--fountain Me. Fountain Me and let Me flow. Fountain Me and let Me flow.

14. I come, I call, and I confirm that in these words I am. See Me. See Me, wondering wanderer, wandering wonderer, mighty-thought, mighty-wanting-to-be, mighty not a match inning the possibility. I love you.

15. I confirm Me this day in you, you who have sought Me, applied My blood, My words, listened, chosen, restricted, restrained, abandoned--I love you. I love you.

16. Now freedom comes increasingly, increasingly flow in My freedom, My freedom fountained from Me to you, rivers of living water, this day. I give you Me. I accelerate, I elevate, and I envy not the rules of man. I propel you in Me, My molecular structures, My family, My princes, leadership of only Me. I love you. So much more, even today. Good Day. I love you. Me to My children, to My friends, to My Ted and Teds, and the mighty many arising this day. I love you and I give you Me. Good Day.
